

SPORTident Card11

May 2015

The SI-Card11 belongs to the third generation of SI-Cards. SI-Cards11 register the data record in 60 ms. This is twice as fast as SI-Card8/9. All full set of card owners personal data can be stored in the chip.

In general SI-Card11 offers a more smart user experience. SI-Card11 features an integrated electronic module. There is an optical feedback signal (flashing LED) indicating the finished registration process. There is exactly one feedback signal cycle from the SI-Station. The next feedback signals will be transmitted by the SI-Card within some seconds. The number and the rhythm of the optical feedback signal can be configured by the user. This feature is supported by SI-Config+.

SI-Card11 feedback signals are powered by battery. Power consumption is very low. Based on calculations there is enough power to activate up to 30,000 flashing cycles. The SI-Card11 features a fall back option. If the battery is empty the device works like the passive SI-Card10. So any risk is eliminated.

SI-Card11 comes with a chromium plated tip and transparent body. The flashing LED illuminates the SI logo in the tip.

Specifications

| | SI-Card11 |
|------------------------------|--|
| Model type | Finger stick |
| Number range | 9 000 001 ... 9 999 999 |
| Typical application | Orienteering, adventure and outdoor sports |
| Data exchange time | 60 ms |
| Clear time | < 0.5 s |
| Intermediate times | 128 |
| Special records | CLEAR, CHECK, START, FINISH |
| Time format | 24h format, day of week, counter for up to 4 weeks |
| SI-System compatibility | SI-Stations BSF7/8 |
| Firmware Stations | V 5.74 and higher |
| Operating range | -20°C ... +50°C |
| Registration feedback signal | Optical (red LED) signal, user configurable |
| Protection class | IP 67 (DIN EN 60529) - Protection against penetration of dust - Protection against the ingres of water during short-term immersion |
| Warranty | 5 years, except battery |
| Battery live time | Up to 30,000 flashing cycles |
| Weight | 8 g |
| Dimensions | 71 mm x 19 mm x 8 mm |
| Colours | Transparent body, chromium plated tip with logo |
| Customer services | Online reservation service |
